**ADDITIONAL STATEMENT REGARDING INFORMATION DISCLOSURE
STATEMENT**

Commissioner of Patents and Trademarks
Washington, DC 20231

Dear Sir:

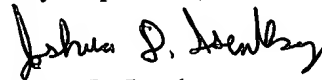

The attached Information Disclosure Statement includes references that are not in the English language.

One of these references, Gebrauchsmuster DE 29618818U1 appears to be cumulative with German Offenlegungshrift DE 19644918A1, which is already of record and which was submitted in prior application (Application Serial No.: 09/536,164, now U.S. Patent 6,330,102 B1), the parent case of the present application. An English language translation was submitted for the Offenlegungshrift DE 19644918A1 in Application Serial No.: 09/536,164. A copy of this translation is submitted herewith for the convenience of the Examiner.

Another German reference, Offenlegungshrift DE 19757181 is submitted without an English language translation of the entire text. However, the applicants are submitting an English language translation of the Abstract of this reference. The Applicants submit that any relevance of this reference may be determined from the abstract and/or the figures.

However, if the Examiner believes that an English language translation would be useful, the applicants will arrange to have one prepared upon request.

Very respectfully,

A handwritten signature in dark ink, appearing to read "Joshua D. Isenberg". The signature is fluid and cursive, with the first name "Joshua" being more prominent.
